**The good night,  
 peaceful night,  
 'Til the light of the dawn  
 shineth bright,  
 God is near,  
 do not fear --  
 Friend, goodnight.**

# *The Central Coast Veterans Cemetery Foundation Support and Contribution Program*

The California Central Coast Veterans Cemetery is located on 78 acres within the Monterey Bay area of California's Central Coast region on land previously known as Fort Ord. Fort Ord was decommissioned in 1992.

Initially established as a military outpost, former Fort Ord served as a training facility throughout most of its history. It is generally known for having trained and deployed more than 1.2 million soldiers during World War II, the Korean war, the Vietnam war and the more recent wars within areas of the Middle East.

Planned reuse of the former military installation included proposed development for a Veterans Cemetery as a lasting tribute to those who served in our nation's military forces and is a reminder for today and for future generations that we honor those who served to preserve freedoms often taken for granted in our nation.

Design of the Veterans Cemetery includes a total of 11 phases for full completion. The first phase opened in October 2016 for placement of cremains (ashes) only. The second phase opened in May 2021 for in-ground casket burials and in-ground urn placements.

Funding for the initial two phases combined federal funds for construction, state funds for staffing, maintenance and operations, and over \$2 million from local community residents, businesses and jurisdictions as a result of the Foundation's fundraising efforts.

## **LOOKING TO THE FUTURE**

Continuing funds are needed to assure that a full-service cemetery is available to veterans for many years to come. Contributions of any amount are gratefully appreciated.

Plans have been submitted to CalVet for the construction of a recognition wall at the Cemetery, where donors may honor their veterans and spouses on the wall for gifts made in the amount of \$250.00 and above.

Please also consider a gift of lasting endurance such as a legacy contribution or other options - an annual contribution or a gift of stock or other assets.

If you have questions or would like more information, please contact the Foundation at (831) 218-1780.

**Thank you** for your thoughtfulness in honoring all veterans and their service.
